# APStrom Tutorials

For those among us who learn best by a visual medium, the resources contained on this page will be most helpful.

## Procedures

### Matter opening

1. Cosmolex contact card creation

## Systems

The firm runs on a host of digital systems, all of which are subject to unique modes of operation and differing user interfaces. The below tutorials provide some explanation to assist users with basic operation of the systems subject to the tutorials.

For more advanced usage, users should consult the system's documentation. Links to system documentation are included in each section.
